YOUTH IN AGRICULTURE & RURAL DEVELOPMENT

READERSHIP : The book will be of value to agricultural scientists, extension personnel and development workers belonging to public, private, banking, NGOs and other development sectors, as it provides new insights into the role of youth in agriculture and integrating them into sustainable agriculture. Besides, the students of agriculture and rural development especially post graduate students will find the book a useful reference material.

During last one decade, rural India witnessed the continuous migration of rural youth to urban areas. This situation is very serious and alarming and the migration of rural youth created a vacuum in the villages. It has been observed and expressed by many enlightened persons that villages are becoming old age homes draining away the talented farm youth to stay away from farming.

The contents of book covers the issues like youth-concept, characteristics, interests, aspirations; youth in natural resource management; ICT and rural youth; Extension approaches and strategies; SHGs and Group approaches; Mobilization of Rural Youth; Gender issues and women empowerment and successful case studies on farm youth. The major sub heads of the book are:

- FARM YOUTH IN AGRICULTURE
- CAPACITY BUILDING OF RURAL YOUTH
- ENTREPRENEURSHIP AMONG RURAL YOUTH
- RURAL YOUTH AND INFORMATION COMMUNICATION TECHNOLOGY
- WOMEN IN AGRICULTURE
- RURAL YOUTH IN INTEGRATED FARMING
- LEISURE TIME UTILIZATION BY RURAL YOUTH
- CASE STUDIES ON RURAL YOUTH
